

SDG Journal Collection

Comprehensive access to 460+ journals aligned with the UN Sustainable Development Goals (SDGs)

EMPOWERING INSTITUTIONS TO LEAD IN SUSTAINABILITY RESEARCH AND EDUCATION.

In a world facing critical global challenges, academic institutions play a pivotal role in advancing research and education that supports the United Nations Sustainable Development Goals (SDGs). The **SDG Journal Collection** has been curated to provide comprehensive access to peer-reviewed journals that empower universities, librarians, researchers, and educators to drive impactful, interdisciplinary solutions. By aligning academic resources with these global priorities, the collection ensures your institution is equipped to lead the way in sustainability research and education.

KEY FEATURES

Complete Journal Access

Explore full journals, not just articles, for deep dives into SDG topics.

Interdisciplinary Insights

Coverage spans a variety of fields, connecting academic research to global challenges.

Actionable Resources

Ideal for teaching, learning, and driving impactful research aligned with SDG priorities.

HOW DOES THIS COLLECTION WORK FOR YOU?

For Librarians

Enhance your institution's sustainability offerings with a comprehensive collection of journals.

For Researchers

Access complete, peer-reviewed journals to support robust, interdisciplinary research.

For Educators

Integrate rich SDG-aligned content into your curriculum with ease.

ACCESS FULL JOURNALS MAPPED TO THE GOALS

WHY CHOOSE THE SDG JOURNAL COLLECTION?

Unique Features

- **Depth Beyond Articles**
Unlike curated article and chapter platforms, this collection includes full journals, providing unmatched depth and comprehensive insights into SDG topics.
- **Global and Interdisciplinary**
Journals span multiple disciplines, addressing key societal challenges such as climate action, health, education, and equality.
- **A Trusted Source**
Published by Taylor & Francis, one of the world's leading academic publishers – and one of its most enduring. For more than two centuries Taylor & Francis has been committed to the highest quality scholarly publishing.

Highlights for Librarians

- **Support Interdisciplinary Research**
Foster collaborations across departments with journals that serve diverse academic needs.
- **Comprehensive Coverage**
Ensure your library supports sustainability research with full access to critical methodologies and case studies.
- **Teaching and Learning Resources**
Equip educators with foundational resources to prepare students for sustainability challenges.
- **Simplified Integration**
Designed to integrate seamlessly with existing library systems for effortless use by faculty and students.
- **Institutional Value**
Helps position your university as leaders in addressing global sustainability goals.
