Trial Access for MNU Library

Zendy is an AI-powered research library that accelerates discovery and literature review.

MNU Library provides you with unlimited access to Zendy's AI-capabilities and millions of open-access articles, books and conference proceedings with the purpose to make it easier for you to find, access and review the literature that is most relevant to you.

What does the trial include?

- **Seamless access to all Open Access and Paywalled content – both meta-data and fulltexts.**

- **Unlimited use of ZAIA, Zendy's AI Research Assistant – ask any research questions and get reference backed answers, summarise papers, highlight key points and analyse research articles.**

What do I need to do?

- **Sign up to https://zendy.io while on campus – that will give you the right access level on Zendy. You can then log in and use Zendy from wherever you are.**

- **Try Zendy before 14 November – that's when the trial access ends.**

- **Fill in the feedback form – https://knowledgee.typeform.com/trialfeedback.**

Please contact the library if you have any questions or need any assistance.
