Pearson Business and IT Professional E-Book Subscription Collections

Offer Unlimited User Access to Frontlist E-Books from Pearson Publishing

Pearson and EBSCO have partnered to offer two, **first-of-its-kind EBSCO eBooks** subscription collections, providing institutions with affordable access to a vast collection of cutting-edge business and IT e-books. Each collection includes the latest releases, empowering researchers with in-demand knowledge.

*The availability of specific e-books varies by region. Please contact us for a current title list.

Pearson Business Professional eBook Subscription:

This premium collection is ideal for professionals, academics and enthusiasts alike and is designed to empower readers with the knowledge to excel in today's dynamic business environment. Help business professionals stay sharp and relevant with comprehensive coverage of essential topics, from organizational behavior and personal growth to leadership and decision making.

Pearson IT Professional eBook Subscription:

This essential collection provides access to the most up-to-date educational and exam preparation materials to help users stay ahead of the technology curve. Help IT professionals build and refine technical expertise with extensive coverage of in-demand topics like **Microsoft, Adobe, C++, Cloud Computing, Oracle, Cisco**, and more.

Benefits of Pearson

EBSCO eBooks Subscriptions:

- 1. Frontlist E-Books:** Provide access to newly published and highly sought-after e-books, to enhance reader engagement and satisfaction.
- 2. Unlimited User Access:** Accommodate multiple users, ensure equitable access to digital resources and minimize wait times.
- 3. Full Book Offline Download:** Entire e-books can be downloaded for offline reading, providing flexibility and uninterrupted access to knowledge, even without an internet connection.

For a complete title list, please contact an EBSCO representative.
